FAQ

What is a Meal Punch?

Having your JACard swiped through a card reader and having a meal deducted from your meal plan is called having your JACard *punched*.

Where can I use my Meal Punches?

- **Residential Dining Halls:** A Meal Punch can be used to enter our three all-you-care-to-eat dining halls: E-Hall, D-Hub and Green's.
- **Retail Locations:** A Meal Punch can be used in select retail locations to purchase a Duke Deal combo or as \$7 equivalency towards items made in house. Locations include, Bistro 1908, Corner Bistro, Festival, Freshens® Fresh Food Studio, Fueled and Nacho Papi's Food Trucks, Madison Grill, PC Dukes and Top Dog.

Is there a limit to how many Meal Punches I can use in a day?

No. You can use as many Meal Punches as you'd like each day, as long as it doesn't surpass your remaining balance. You can verify your balance on MyMadison or by asking a cashier at any dining location.

Can I treat someone to a meal using a Meal Punch?

Yes. You're welcome to treat friends, family members and colleagues to a meal using a Meal Punch, as long as you're present at the time of the transaction.

When do unused Meal Punches expire?

- **Fall/Spring Meal Plan Purchases:** Meal Punches carry over from fall to spring, but *not* from spring to fall. Unused meal punches will be lost on May 4th 2018 at 7p.
- **Summer Meal Plan Purchases:** Meal Punches are only valid during the summer months. Summer meal plans begin May 7th 2018; unused meal punches will be lost on August 3rd 2018.

How do I sign up for a meal plan?

You can sign up for a meal plan by contacting Card Services via email (cardsrv@jmu.edu), phone (540.568.6446), or by visiting them in person in the Student Success Center (2nd Floor). Meal Plans can be purchased with check, credit card, FLEX, and payroll deduction (excludes summer meal plans). The payroll deduction form can be downloaded at www.jmu.edu/cardctr/staffmeal.shtml.

Are you able to accommodate special diets?

JMU Dining prides itself on providing the information and knowledge necessary for guests with food allergies, celiac disease, and other medically-prescribed diets to make informed choices in our dining locations. We ensure all associates undergo a certified allergy training during on-boarding. To ensure our approach remains current, we seek ongoing training guidance from Food Allergy Research & Education (FARE). If you need nutrition or ingredient information, our Registered Dietitian, Hannah Jehring, is here for you.
